In re Application of :
Darrell T. McKenzie :
Application No. 09/901,632 : DECISION GRANTING PETITION
Filed: July 11, 2001 : UNDER 37 CFR 1.137(f)
Attorney Docket No. DANA-140 :
:

This is a decision on the petition, filed April 18, 2003, to
revive the instant nonprovisional application under the
unintentional provisions of 37 CFR 1.137(f).

The petition is GRANTED.

Petitioner states that the instant nonprovisional application is
the subject of an application filed in a foreign country on July
10, 2002. However, the U.S. Patent and Trademark Office was
unintentionally not notified of this filing within 45 days
subsequent to the filing of the subject application in a foreign
country.

In view of the above, this application became abandoned pursuant
to 35 U.S.C. § 122(b)(2)(B)(iii) and 37 CFR 1.213(c) for failure
to timely notify the Office of the filing of an application in a
foreign country, or under a multilateral international agreement,
that requires publication of applications 18 months after filing.

A petition under 37 CFR 1.137(f) must be accompanied by:

- (1) the reply which is met by the notification of
such filing in a foreign country or under a
multinational treaty;
- (2) the petition fee as set forth in 37 CFR 1.17(m);
and

(3) a statement that the entire delay in filing the required reply from the due date of the reply until the filing of a grantable petition was unintentional.

The instant petition has been found to be in compliance with 37 CFR 1.137(f). Accordingly, the failure to timely notify the Office of a foreign or international filing within 45 days after the date of filing of such foreign or international application as provided by 35 U.S.C. § 122(b)(2)(B)(iii) and 37 CFR 1.213(c) is accepted as having been unintentionally delayed.

The previous Request and Certification under 35 U.S.C. § 122(b)(2)(B)(i) has been rescinded. A corrected Filing Receipt which sets forth the projected publication date of September 4, 2003 has been mailed under separate cover.

Any inquiries concerning this decision may be directed to the undersigned at (703) 305-8680.

This application is being forwarded to Technology Center Art Unit 1723 for processing the Request for Continued Examination under 37 CFR 1.114 and for consideration of the Information Disclosure Statement and amendment filed April 18, 2003.
